Conflict Minerals Report

Dear Sirs/Madam,

We would like to report on the above subject as follows,

1. Requested issue

We were requested to answer whether the following materials/minerals (tin, tantalum, tungsten, gold) are included in the product below as conflict minerals.

2. Surveyed product

If authentic compliance documentation is required, Nidec-Shimpo will add your model numbers to this letter and certify with signature. Contact Nidec-Shimpo if this is required.

3. Result

We declare here that no following materials/minerals is included in our Able Speed Reducers.

1. Tin
2. Tantalum
3. Tungsten
4. Gold
